

AGN. NO. _____

MOTION BY SUPERVISOR DON KNABE

May 10, 2011

On April 05, 2011, shortly before 7:00 a.m., Long Beach police officers responded to the intersection of Wardlow and Webster Avenue to a report of a male subject laying unconscious on a bus bench with blood on his tennis shoes. When officers arrived, they discovered the deceased body of 37-year-old Mylon Waggoner, a resident of Winnetka, California. Waggoner was found to have sustained multiple stab wounds to his upper torso area that resulted in his demise.

Detectives have canvassed the area in an attempt to find additional witnesses to the ones that provided the initial pertinent information on the stabbing, and were met with negative results. As of this date, no additional witnesses have come forward so far. Detectives feel it would be beneficial to offer a reward, which may prompt reluctant witnesses to come forward and provide information to identify the individuals responsible for this crime. They can remain anonymous.

I, THEREFORE, MOVE that the Board of Supervisors offer a \$10,000 dollar reward for information leading to the arrest and conviction of the perpetrator(s) of this heinous crime.
